

FY2020 Organizational Changes

ITOCHU Corporation has announced organizational changes taking effect as of July 1st, 2020.

I. Departments

Textile Company

- As of July 1, 2020, the Digital Strategy Department will be established as an organization directly under the Textile Company to promote digitalization that transcends the Textile Company's divisions with the aim of building new earnings base by responding to e-commerce in the textile business and other means.
