Editing Policy

ITOCHU's ESG Report seeks to provide various stakeholders including shareholders, investors, business partners, and others with a deep understanding of our company's sustainability policies, approaches, targets, systems, and specific initiatives. We recognize that meeting the expectations of society through business activities will help maintain sustainability and lead to further growth. With this in mind, ESG Report 2024 reports the details of our sustainable activities in the previous fiscal year together with ESG performance data and our contribution to the SDGs.

Reporting Period

This report principally covers actual data for the fiscal year beginning on April 1, 2023, and ended on March 31, 2024 (FYE 2024). However, some of the most recent information on our activities and initiatives is also included.

Reporting Boundary

This report covers ITOCHU Corporation (7 domestic offices and 86 overseas offices) and its major group companies.

Independent Assurance

The environmental and social performance indicators marked with ★, ◆ and ■ in this report are independently assured by KPMG AZSA Sustainability CO., Ltd. (P232)
